Dear Resident

You may remember that the Council has previously consulted local people on proposals as part of an area-wide improvement scheme in your local area. The aim of the scheme was to reduce rat-running traffic, improve road safety, make it easier for people who want to walk and cycle and generally make the area more attractive for residents and visitors.

We would now like to get further feedback on the proposals affecting your local area. To help us, we have commissioned Tpas, an independent consultation and engagement company, to conduct interviews in your area. The interviewer from Tpas carrying this letter will have a photo ID badge to prove they are a genuine interviewer working on behalf of Waltham Forest Council.

Participation in the survey is entirely voluntary. All your answers will be treated in the strictest confidence and used for research purposes only. We will not link your address to your answers and everything you say will remain completely anonymous.

I hope that you will take part in this important consultation for your area and would like to thank you very much in advance for your help. If you would like any more information about the survey, please contact me on 020 8496 1499 or email [ian.tompkins@walthamforest.gov.uk](mailto:ian.tompkins@walthamforest.gov.uk).

Yours faithfully

A handwritten signature in blue ink, appearing to read 'Ian Tompkins', with a stylized, wavy flourish at the end.

**Ian Tompkins**  
Director of Communications & Communities
