

BEFORE AND AFTER - PRP PROJECTS

Public space improvements examples:

- Improvements to the space around the buildings (eg footpaths, open spaces)
- Landscape improvements such as tree planting, lighting and resurfacing

Brownfield Estate: Poplar, Tower Hamlets

BEFORE AND AFTER - PRP PROJECTS

Infill developments examples:

- Develop in vacant space between buildings with no demolition of existing homes
- Increase number of homes without significant disruption
- Sale of new homes can help fund refurbishment of existing buildings

Parkside Estate: Bow, Tower Hamlets

BEFORE AND AFTER - PRP PROJECTS

Partial redevelopment examples:

- Demolition and construction of parts, but not all of the site
- Sale of new homes can help fund refurbishment of existing buildings
- Develop a set part of the site without disrupting general layout

Myatts Field: Lambeth

BEFORE AND AFTER - PRP PROJECTS

Full redevelopment examples:

- Demolition and construction across entire site
- New and improved buildings, streets and open spaces
- Increased number of homes

Portobello Estate: Kensington
