National Scrutiny Week 2021

#ScrutinyWeek

Connect, learn and showcase your work

How to support #ScrutinyWeek

Once again Tpas is hosting a whole interactive week to support tenants and landlords to connect, learn, and celebrate the impact of tenant led scrutiny.

Like last year, during the week, Tpas will encourage members and the wider sector to showcase scrutiny groups, panel members, chairs, projects and stories.

There are plenty of live sessions, workshops, webinars and showcase sessions to listen, learn and connect with during the week.

Jenny Osbourne, Tpas chief executive said;

"Ever since the final session of last year's #ScrutinyWeek our members have been asking when the event will return. I am so pleased to see tenant led scrutiny so high on the sectors agenda. There's no right way to scrutinise services, that's what makes this topic so innovative. I'm looking forward to hearing tenants and housing staff from all over the country share ideas, stories and best practice during the week".

Within this pack we detail the programme, we offer social media artwork, newsletter templates, Scrutiny Selfie Call out print outs to raise awareness of #ScrutinyWeek.

If there is anything further you need to support #ScrutinyWeek then please get in touch with the Tpas team by emailing info@tpas.org.uk .

Highlights in the week

Tuesday 28th September. 1.30pm-3pm [Great Minds Think Alike? Workshop](#)

This interactive session is all about diversity in scrutiny. The workshop will explore the concept of diversity and the common saying of 'great minds think alike' and ask if that is something we should celebrate in the context of scrutiny or does effective scrutiny need the challenge that different views brings different perspectives?

Wednesday 29th September – 10:30am – 12.00pm [No Nonsense Guide to Scrutiny Workshop,](#)

Perfect for those new to scrutiny or looking for a quick refresh.

Friday 1st October – From 10am Scrutiny Showcase Reel

The last day of #Scrutinyweek is dedicated to the impact of scrutiny, as we run from 10am onwards. You'll hear from tenants and organisations showing how scrutiny has positively impacted on key service areas such as Complaints, ASB, and Repairs.

Example newsletter piece

This year, (Landlord name) are taking part in The National Scrutiny Week. The week is being coordinated by Tpas. As members of Tpas we can join all the virtual events as part of the week for free. It's a chance for us to celebrate the impact of our scrutiny work and learn about how other organisations work in partnership with their tenants too.

Highlights during the week include a No-Nonsense guide to scrutiny and Scrutiny Top Tips workshops. Plus there will be live tenant discussions and showcase sessions.

We'd love for you to get involved and show how things are done differently here at (Landlord Name).

Visit <https://www.tpas.org.uk/member-search> to register for your account to access the free events.

There's no right way or wrong way of taking part. Maybe you could share some of your scrutiny successes that week? Perhaps you could book onto one of our events? Could you live stream your scrutiny meeting that week?"

The week is about the housing sector embracing the change to connect, learn and showcase your work.
